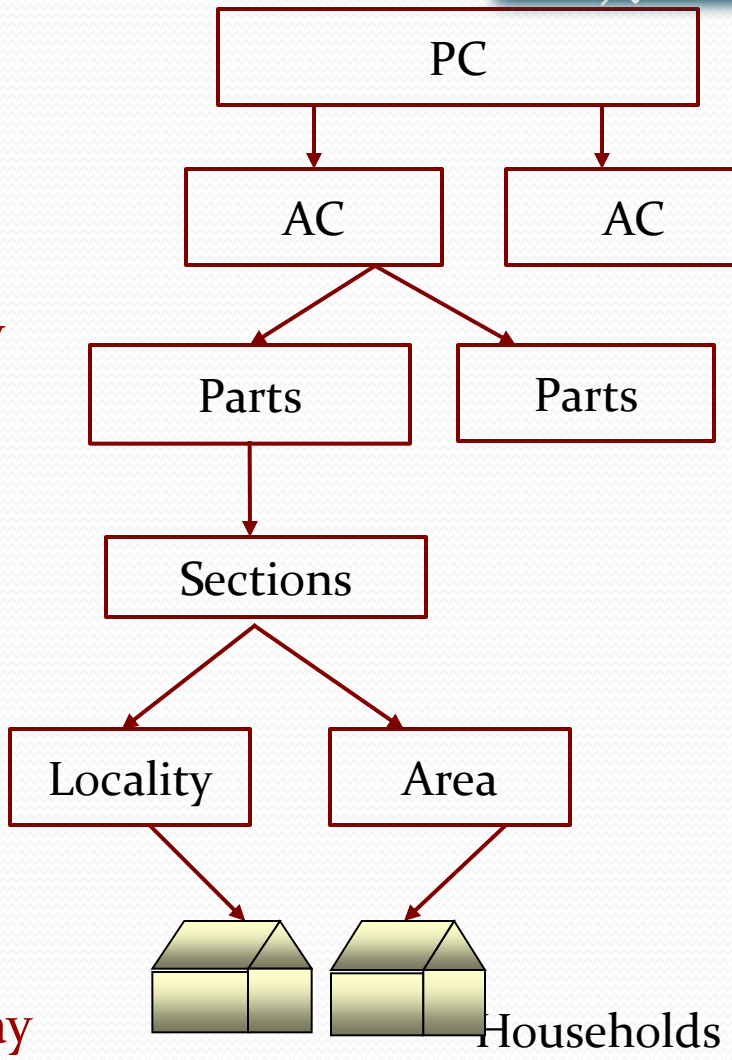
The preparation and revision of Electoral Roll is carried out under this framework of law

Electoral Rolls for Assembly and Parliamentary Constituency

- Electoral Rolls are prepared for Assembly Constituency (AC) under the provisions of RP Act 1950
- No separate Electoral Roll for Parliamentary Constituency (PC) is maintained as that PC consists of Electoral Rolls for all its ACs
- Electoral Rolls are organized as geographically defined Parts which are further organized into Sections and households
- Each Part has an identified Polling Station where electors cast their votes on the poll day



Revision of Rolls

Under Section 21, RPA 1950, Electoral Rolls are prepared or revised :

- On the basis of qualifying date i.e. First day of January
- In any year by reference to Qualifying date as directed by ECI.

Gazzett Notification, December 30,2021

The Election Laws (Amendment) Act, 2021

First day of January is replaced by First day of January, First day of April, First day of July and First day of October

Revision of Rolls continued…

Existing Roll continues to operate till it is revised/updated

ECI may direct for special revision of the Electoral Roll for any Constituency or Part of Constituency
